GENERAL INFORMATION

SDS

Safety Data Sheets (SDS) are not required for the above named products. Please note the following regulator information:

OSHA Hazard Communication Standard

The above named products, supplied by Barrett Company are, to the best of our knowledge, legally deemed as “articles” and as such are exempt from the Code of Federal Regulations, Title 29, Chapter XVII, Part 1910. Subpart Z, Section 1910.1200 of the OSHA Hazard Communication Standard. Safety Data Sheets are not required of non-hazardous goods deemed as “articles”.

SARA 313 Information

To the best of our knowledge, the above named products contain no chemical subject to SARA Title III Section 313 supplier notification requirements.

Department of Transportation (DOT)

The above named products, supplied by Barrett Company are, to the best of our knowledge, not regulated by D.O.T. when shipped domestically by land.

Canadian WHMIS Information

None of the above named products are, to the best of our knowledge, a “Controlled Product” under WHMIS.

Canadian TDG Information

For guidance, the Transportation of Dangerous Goods Classification for this product is: Not Regulated.

DISCLAIMER

The information and recommendations contained herein are to the best of Barrett Company’s knowledge and belief, accurate and reliable as of the date issued. Barrett Company does not warrant or guarantee their accuracy or reliability, and Barrett Company shall not be liable for any loss or damage arising out of the use thereof. The information and recommendations are offered for the users’ consideration and examination, and it is the user’s responsibility to satisfy itself that they are suitable and complete for its particular use. It is also the users’ responsibility to make certain that it is relying upon the most recent, updated, information and recommendations available from Barrett Company. The Environmental Information included above as well as the Hazardous Material Identification System (HMIS) and National Fire Protection Association (NFPA) ratings have been included by Barrett Company in order to provide additional health and hazard classification information. The ratings recommended are based upon the criteria supplied by the developers of these rating systems, together with Barrett Company’s interpretation of the available data. We make no warranty as to the results to be obtained in using any material and, since conditions and methods of use are not under our control, we must necessarily disclaim all warranties of merchantability or fitness for any particular use as well as all liability resulting directly or indirectly from the use of any materials supplied by us.
